

## **INVITATION : 2<sup>nd</sup> SWISS MERLYMPICS**

We have the honour of setting up a competition bringing together Swiss schools/clubs but also individual Swiss and International candidates. The Swiss Merlympics Organizing Committee is pleased to invite you to the first event of its kind in Switzerland.

The objectives of this festive weekend around mermaiding are:

- Promote Mermaiding and develop the discipline at the national level.
- Offer moments of sharing and exchange between all Mermaiding schools and athletes in Switzerland.
- Encourage the practice of a sporting activity.
- Develop a sporting dynamic in a structured and safe approach.

You will find in the appendix the rules of the competition and below all the information relating to the accommodation and the running of the competition. Do not hesitate to refer to the website which also contains a lot of information: <https://www.swissmerlympics.com/>
